Thought for Today

Each morning we wake up we have an abundance of blessings before us just waiting to be claimed. How do we claim these blessings? Well, do something for others, like praying for each other, being kind to each other, or phoning to say I am thinking about you, or just lending a helping hand in anyway that we can. You see doing these small, but very important, things open doorways for God's blessings to flow through. Claim your blessings today.
