2006 Retreat July 13-16

In August 2004 we had a wonderful time at our retreat in Arkansas at Camp Yorktown Bay. Besides having a good time in our sharing meetings and fellowship together, we even got to go water skiing and one evening we all went on a cruise around the lake in the big pontoon boats. We agreed at that time to have the next retreat on the west coast so that is what we have been able to arrange for this year at Milo Academy in Oregon. We are looking forward to having a profitable time together in July and we hope you will be able to come join us. We all are ambassadors for Christ and missions and there are still great needs in the mission field. Africa is dear to our hearts and we must continue to keep the needs and victories of Africa before our friends. Let's pray earnestly and work diligently that the missionary spirit will never die in our churches.

Please plan to come join us at this retreat in July, we'll see you then.
